MAD DOGS

London, one year from today in the future... The dogs of England are dying from 'Mad Dog Disease'. Rabbie Burns, a young drifter and certified schizophrenic, is hearing voices again. He has only 30 hours to save the world from itself before the 'Supreme Being' loses patience and re-starts the world with an entirely new species...

RAHM

A virtuous woman has to choose between her honour or saving her brother's life in a Sufi interpretation of William Shakespeare's 'Measure for Measure'. A real curiosity
