Deputy Dave and Sally Jean go out parking, and Dave sees Skip's jeep and Kevin's car, both abandoned. He hears screaming on the dock and pulls his gun, but it is only a group of friends, practising for Liz's "horror video". After Dave and Sally leave, Liz, Skip, Annie and Buzz get in Skip's jeep and drive away. Michele and Kevin stick around, and she playfully runs and hides from him. Michele conceals herself in an old, rusty bus, as Kevin picks up and hits a shovel against a fence (containing squealing hogs). Will they survive the night!
