THE PHANTOM GUNSLINGER

The Phantom Gunslinger is set in the town of "Tucca Flats." The peaceful life of the town is disrupted by the arrival of a gang of bandits, including Algernon, Big Sam, Cookie plus others. The sheriff leaves town naming Bill as his successor. Bill, unfortunately, doesn't carry a gun, and the outlaws take over Tucca Flats. But with the help of some Indians, a suit of armor, and springs on his shoes, Bill manages to run the gang out of town. Bill and Margie are getting married when the outlaws return; Margie is kidnaped and Bill is shot and killed. He goes to heaven, and is sent back down to Earth where he sets about revenge on the gang of outlaws.
